Braemar in Eidfjord

"This spectacular scenic cruise on Fred.Olsen's Braemar includes visits to the beautiful floral island gardens of Flor & Fjaere, the Botanical Gardens at Milde and magnificent fjordland landscapes only accessible to smaller, more intimate-sized ships such as Braemar."

Tony Russell

The Arboretum and Botanical Garden, Milde

of Bergen to The Arboretum and Botanical Garden at Milde. Enjoy a guided tour taking in the Rosarium, Heather Garden and Historical Garden. See maples and trees from Asia and North America and walk through the dell with trees from the southern hemisphere. The Japanese and Alpine Garden will finish off the visit.

Sat 05 September - Olden, Nordfjord*

Situated deep within Nordfjord, Olden is your gateway to a plethora of natural wonders. The astonishing Briksdal Glacier and Europe's largest inland glacier, Jostedalbreen and Lovatnet Lake are particularly impressive and just a short trip away and may be visited on optional ship tours.

Sun 06 September - Eidfjord, Hardangerfjord

Your final stop is at Eidfjord, for chances to see Vøringsfossen - one of Norway's most famous waterfalls - in all its tumbling glory. Look out for the optional ship tours available to book.
